THE NEW

Overland
"SPECIAL"

AT

Canadian National Exhibition

Toronto's Annual Motor show at the Canadian National Exhibition possessed no greater attraction than the new "Special". Built on the same chassis, with the same Triplex Springs that have made the Overland Standard Car famous for its easy riding, and built with the same motor that has given Overland a reputation for sturdiness, power and economy, the new "Special" was remarked for these added features:

Composite body of wood and steel with new body lines.
Special extra front top with plate glass light in rear.
Special maroon-colored body; steel color wheels.
Wider seats with more room and higher arm rests.
Solid leather upholstery - maroon color.
Corrugated steering wheel.
Ventilator in roof.
Nickel radiators.

Overland Standard Touring Now \$885

New prices on Overland and Willys-Knight models, as announced on Sept. 20, mean reductions that will greatly reduce the comparative cost of luxury. A new top on the Willys-Knight touring car, made of stainless steel, will be available in October. The standard top now on our line of Overland touring cars will be a top that can be removed in 10 minutes, leaving the car open to the sun and air.

EVEREADY UNIT CELLS

EVEREADY, the master of flashlights and batteries, has created these new Unit Cells to simplify your battery buying.

They fit any and all tubular flashlights!

Your tubular flashlight of whatever size or style takes two or three of these Unit Cells. You will quickly learn which of the two sizes you need. Then you can buy them anywhere - at electric, hardware, drug, sporting goods, automobile accessory, or general stores. Always get substitutes for Eveready.

Why I prefer the Sovereign to other Electric Irons

BECAUSE it has a tapering iron, a cool handle, and so beautifully balanced, it makes ironing even a pleasure. Another feature is, it gets hot when the heat is most needed, namely, at the tip.

There is an last time in every day. By the end of a

SOVEREIGN ELECTRIC IRON

The gift of clothes that looked so beautiful at the start, is now a faint memory of a beautiful evening of garments.

The busy mother-of-the-house (under it) glides over the ironed linen, saving perfectly as ever.

You own it to prevent the electric iron that will completely ruin your work (even with the least amount of damage to yourself). The "Sovereign" has truly been said to be "worth the Price on Every Day."

A common-sense view of the strength that cry which is under stress, the strength that with the bird, the bird is not in the head. The fact of the bird and its body are in the bird, in the space of one moment, between

"Something to be proud of"

It's all so easy to be proud of. You think of it as a job, a job that's yours to do. You think of it as a job that's yours to do. You think of it as a job that's yours to do.

LIFE is a series of circumstances that you school, college, club, church, job, or business—each doing its group of people, change plans through means, means and common decisions, then, grows up the good, considerable help to make, the difficult mind of life, worth while. It is only the inevitable passing of the ways that brings full realization of the, growth of each foundation.

Heirloom Plate

Silver was the symbol of Aristocracy
Pewter the ware of plainer folk

SILVER was among the more highly prized possessions of the aristocracy of earlier days. Their pieces sparkled with wit, candlelight—and silver.

The traditions of these times are still upheld by silverware, the symbol, even, of good taste and artistic breeding. And many from these centuries have been reworked in a higher degree than by Heirloom Plate, the handwork of master craftsmen.

Of fine artistic design, Heirloom Plate appeals through its rich simplicity. For everyday use and for the more elaborate occasions it gives charm and distinction to any table. Heirloom Plate is a complete table service, comprising tea, coffee, dinner, and luncheon, also knives, forks and spoons, or you may purchase it piece by piece. The name of nearest dealer and a copy of illustrated booklet will gladly be mailed to you, on request.

Housewife of Tomorrow, how fast
Washing becomes to you

1900 CATARACT Electric Washer

WHY NOT YOU?

In thousands of homes throughout Canada, it is washed as securely as any other day. It is the 1900 CATARACT, the washing queen.

Washing requires time, washing demands care. The 1900 CATARACT does both, washing as safely as any other day, and with a saving of water.

It is the best gift for the housewife, and it is the best of the 1900 CATARACT, a model of efficiency. The 1900 CATARACT has the only water-tight, self-washing motor—the best, most efficient, most durable. It does so safely as to the clothes, and it does so safely as to the motor. It does everything in washed fabric, and more thoroughly.

And that thing means, for the housewife, it is as much as her head. But a part of it is to make the clothes to be clean, warm and long. The laundry people to fill out and clean and the work is finished.

A "1900 CATARACT" IS EASY TO BUY

We will arrange credit payments to suit your convenience, and you can have the use of a second machine to approval before you pay any money, or even install yourself in buying it. We believe you will like it, so we will give you a trial to suit you.

If you will write us and ask for a copy of our interesting booklet "Choose the 1900 CATARACT," we will send it to you. It is the 1900 CATARACT, the washing queen.

THESE MODISH GARMENTS ARE FASHIONED FROM HAWTHORN FABRICS

The superb tailoring qualities of Hawthorn Fabrics are again illustrated in the latest designs of Canada's foremost garment manufacturers which are now on display at the smart style shops.

Remember HAWTHORN does not stand for one particular type of fabric—there is no such thing as Hawthorn fabric, but whether it is a shimmering, velvety Hawthorn dress or a simple cloth, the name HAWTHORN signifies that it is a worth while and enduring material, which will give long wear and drapery, and retain its finish as the most satisfactory manner. In whatever garment you see this label it is in your power to see that the material is all wool and fast in color.

Lending shops all over Canada can show you coats, suits and wraps made from Hawthorn Fabrics. All such garments should bear the Hawthorn label shown here, as a guarantee on which to depend for the quality of the fabric.

Hawthorn Fabrics are also sold by the yard. Ask for them at the dress goods counter.

"Don't Envy Beauty— Use Pompeian"

You, too, can have the clear, warm tints of youth, the alluring beauty of lovely coloring if you know the secret of instant beauty, the complete "Pompeian Beauty Toilette."

First, a touch of Pompeian DAY Cream (vanishing). It softens the skin and holds the powder. Then apply Pompeian BEAUTY Powder. It makes the skin beautifully fair and adds the charm of fragrance. Now a touch of Pompeian BLOOM for youthful color. Do you know that a bit of color in the cheeks makes the eyes sparkle! Presto! The face is beautified and youth-ified in an instant! (Above 3 articles may be used separately or together. At all druggists, 60c each.)

TRY NEW POWDER SHADES. The correct powder shade is more important than the color of dress you wear. Our new NATURELLE shade is a more delicate tone than our FLESH shade, and blends exquisitely with a medium complexion. Our new RACHEL shade is a rich cream tone for brunettes. See offer on coupon.

Pompeian BEAUTY Powder—naturelle, rachel, flesh, white. Pompeian BLOOM—light, dark, medium. Pompeian MASSAGE Cream (60c), for oily skins; Pompeian NIGHT Cream (50c), for dry skins; Pompeian FRAGRANCE (30c), a talcum with a real perfume odor—white and pink shades.
